

Now You Can Protect Yourself If Your Vehicle Is Totaled

(with Guaranteed Asset Protection "GAP")

The value your insurance company will place on your vehicle may be substantially less than the amount you owe.

WHY TAKE CHANCES WITH YOUR INVESTMENT?

In the event that your vehicle (car, van, light truck, SUV, RV, watercraft, or powersport)** is stolen, accidentally damaged beyond repair, or otherwise declared an insured total loss, your insurance company pays its interpretation of the value of the vehicle at the time of loss –

not what the vehicle is really worth to you!

You remain liable for payment of the difference between your insurance company's settlement and the balance of your vehicle's financial agreement.

This difference, added to the amount of your deductible, time lost from work, rental car costs, replacement vehicle, and other expenses, can easily be thousands of dollars –

money that comes out of your pocket!

** Except as limited by program or state provisions.
